

CAPABILITY STATEMENT

COMPANY OVERVIEW

The Ceda-Tex Services, Inc. is a Texas-based corporation established in 1998 to capitalize on available opportunities in concrete, excavation, as well as commercial renovations and construction across the state. It uses the Founders' 25+ years experience to service clients.

EXECUTIVE AND COMPANY PROFILE

The Ceda-Tex Services, Inc. has grown to produce \$10.4 million in collective earnings since inception. The company has made an economic impact on the Austin-Round Rock-San Marcos area by paying over \$3.5 million in wages and payments to contractors who all reside locally.

The Ceda-Tex Services, Inc. is recognized as a general construction company that has independent school districts and governmental agencies as clients. It offers Construction Management, Concrete Paving, Asphalt Rehabilitation, Driveway Construction, ADA Improvements on Streets, Excavation, and Interior Renovations as some specialties.

The company has been serving as a prime contractor on most of its multiple state, municipal, and school district jobs throughout Travis and Williamson County. These include Texas Department of Transportation, Texas Workforce Commission, Texas Department of Public Safety, City of Austin, City of Pflugerville, and Austin ISD.

The Ceda-Tex Services, Inc. has a ready staff of up to 20 certified employees who are able to travel throughout the State of Texas. Its relationships with subcontractor companies lend added expertise when needed. The company has a solid financial credit history and insurance capacity of up to \$5.0 million. Its bonding capacity is up to \$1.0 million.

The company is pre-approved by the Texas Department of Transportation to bid on jobs up to \$300,000. The highest single bid that it has been awarded has been \$2.5 million.
